Diseases of the Nose & Throat

By Joseph V. F. Clay

B Jain Publishers Pvt Ltd. Paperback. Book Condition: new. BRAND NEW, Diseases of the Nose & Throat, Joseph V. F. Clay, This book is the outcome of several years of teaching surgery in the homeopathic undergraduate course. The students of surgery have to gather information from different textbooks of surgery and homeopathic therapeutics. That means the students have to refer to several literature to collect the relevant information. Thus, the main aim of this book is to bring all the relevant and pertinent information in a single volume. The book fulfils the demands of the students and serves as a handy reference guide to the practitioners. Considering the requirements of homeopathy in surgical conditions, the topics have been selected and described in proportional details. The topics in this book provide material in a scientific and systematic way as is expected in a book of this kind.
