Just ask best friends Aston, Tisha and Denise. The three friends have seemingly perfect lives and since graduating from college ten years earlier, each girl has gone on to become accomplished in her own right. However, when the friends reunite for Homecoming at their alma mater, Porter University, events begin to reveal that the ladies lives may not be as perfect as they initially seemed. Baby-girl Tisha, waking up from a long, seductive nap in the land of denial, is beginning to see her fairytale marriage for what it is, and isn't. Fiery Denise is tired, stressed and can't figure out how to commit to motherhood, marriage and her career at the same time. And level-headed Aston feels that something is not quite right in her fast-paced life but has no idea how or what to fix. Mix in old beaux, untold secrets, a jealous husband, a batch of mojitos and a whirlwind weekend of fun and partying changes into an event that forces the friends to face their individual dilemmas and make difficult decisions which change them forever. Over a drama-filled four day period, the girls begin to embark on the empowering transformation from young ladies to grown women and learn the true meaning of success, friendship and love.
