It is one of my personal favorite publications. It is actually really fascinating through reading through period of time. It's been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.My first poem was published in the local paper, the Canastota Bee Journal, by my 8th grade teacher, Mrs. Lawson. There was a long hiatus and I began to write poetry again. Over the years I saved them and then put them all together. I found some of my photography fit well with them and they were added, too. This is the final product. I truly enjoyed the process. I certainly do hope my efforts bring you a little joy as you read through my little book.
