## Managing the Older Adult Patient with HIV: 2016

By Giovanni Guaraldi, Chiara Mussi, Julian Falutz

Springer International Publishing AG. Paperback. Book Condition: new. BRAND NEW, Managing the Older Adult Patient with HIV: 2016, Giovanni Guaraldi, Chiara Mussi, Julian Falutz, This concise, clinically focused handbook offers a complete overview of HIV in the older patient and reviews the latest guidelines, treatment options, clinical trials, and management of HIV within this subgroup. The easily accessible text offers infectious disease specialists and other health care workers with an excellent quick reference tool, with full color tables and figures enhancing the text further. HIV is a chronic disease which affects the immune system, leading to AIDS. As treatments have progressed and patients with HIV are living longer a new aspect has to be taken in to consideration when treating HIV and other conditions. Comorbidities are rife within older adults with HIV, as many of the treatments for HIV cause long-term side effects, such as heart conditions and cancer. Special consideration must be taken to ensure no toxic drug-drug interactions between treatments.
