iUniverse, United States, 2007. Paperback. Book Condition: New. 224 x 160 mm. Language: English . Brand New Book ***** Print on Demand *****.Flash Fiction is the current term of choice for the short-short story-a fast-paced, pared-down narrative parcel which can be read on short subway rides, often between stops. In this funny, heart-warming and sometimes eerie collection, you will encounter: An anonymous message of such diabolical power it turns any recipient into an emotional basket case. An eager young teacher who experiences the most catastrophic lesson-plan failure in human history. A suburban husband who gets the motor vehicle department to issue him a license plate that the New York Times won't print. A college professor who parlays a passing thought into a full-fledged new university. A resentful office worker who discovers just how wildly a symbolic act of revenge can boomerang. A truth teller whose last lesson in life is that nobody wants to learn the truth. The purveyor of a fantastic invention whose real purpose is not, nor cannot be stated. A conniving suburbanite who exploits crime-catching data technology to cover his crime. A bank ATM that brings human-machine interaction to a whole new level. A college president who devises the ultimate retrenchment plan. FLASH FICTION PLUS also includes a number of plays and regular-length stories for those not infrequent occasions when the subway ride turns out longer than expected.
