Brand New Book ***** Print on Demand *****.Where would any of us be without a teacher? Teaching is one of the oldest, and definitely one of the noblest professions in the world. It is also challenging, rewarding, stressful, and fulfilling all at the same time. In the Classroom is a collection of tips, advice, and images from a business success strategist and two successful award-winning teachers. In the Classroom is meant as a gift to teachers - to inspire future teachers and to give current and former teachers continued inspiration, motivation, and new ideas. Excerpt: There is a plethora of books about creating amazing lesson plans, finding the best theme for your classroom and assessing students; this is not one of them. This book is about those day-to-day, sometimes insignificant things that make the difference between just teaching and immersing yourself in the experience of education. Many of the tips are common sense; many have been around forever; but many are no longer commonly used. Consequently, students educational experience is sadder for it. There is an art to teaching...
