It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

New author D. Weldon Brantley takes readers on a ride of discovery and suspense in The Ghost of Whitehall Hill. These amateur young sleuths defy a community's superstition to tackle a three-decade old mystery of strange disappearances to confront ghosts which appear every Halloween in a run down, abandoned mansion. Defying the forces of nature, the teens uncover a trail of clues linking President Franklin D. Roosevelt, the Spanish Flu epidemic, a secret war weapon, and a World War II hero with a violent past. Danny, Charli, Mickey, and their parents must work together to discover the identity of the ghost. The Ghost of Whitehall Hill readers learn that living in a small Florida town may not be as boring as the young heroes first believed, thus, the CrackerJack Kids Agency is born.
