A Parent's Guide to High-Functioning Autism Spectrum Disorder. Second edition: How to Meet the Challenges and Help Your Child Thrive

By Sally Ozonoff, Geraldine Dawson, and James C. McPartland

Guilford Publications, 2014. Softcover. Book Condition: New. Packed with real-life stories and everyday problem-solving ideas, this book has given many tens of thousands of parents the facts they need about high-functioning autism spectrum disorder (ASD), including Asperger syndrome. The authors are leading experts who describe ways to work with these kids' unique impairments and capabilities so they can grow into happy, self-sufficient adults. Parents learn practical strategies for helping their son or daughter relate more comfortably to peers, learn the rules of appropriate behavior, and succeed in school. The book also discusses what scientists currently know about ASD and how it is diagnosed, as well as what treatments and educational supports have been shown to work. Updated with the latest research, resources, and clinical strategies, the second edition clearly explains the diagnostic changes in DSM-5. "This is a really great book for parents? It is upbeat, positive, practical, and succeeds in being both jargon free and highly informative. Unlike many books for parents, this is very well referenced, has a good index, and is also full of useful information about relevant websites, newsletters, videotapes and special centers. In short, although marketed as a parents' guide, the book is likely to be equally...
