Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

Overboard Ministries, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Few people wish to live an unremarkable life. Some have settled for unremarkable living due to a variety of circumstances and choices, but few intentionally set out for a journey that isn't memorable. If your intended journey is headed nowhere and you are satisfied with that destination, Project Nehemiah is not for you. However, if you believe God has designed you for something more, then you must pick up a copy of this book. This isn't a theological examination of a Biblical text, but rather, a careful study of the principles that guided one man's project from inception to rapid completion. Nehemiah's story not only teaches us about God's power to work through His children, it also teaches us some principles, that, when applied, can help anyone achieve ginormous Kingdom dreams for God's glory. Project Nehemiah is an easy read. It's stories are thoughtful and humorous, and the true-life events of modern-day Nehemiahs is inspirational. The practical questions at the end of each chapter will help you map out your own plan for fulfilling God-sized dreams in your life. Project Nehemiah is not a how-to guide for managing projects; however, it is a how-to guide for managing the big dreams God has given each of us. Whether you're building walls in Jerusalem (like Nehemiah), helping orphans in Ethiopia (like Cherrie, whose story is told in the book) or feeding the homeless in your community (like my 7 year old son a few years ago), Project Nehemiah will offer you counsel and direction for seeing your work completed. If you have ever thought to yourself, Man, I would love to...
