

Why Has America Stopped Inventing

By Darin Gibby

Morgan James Publishing. Paperback. Book Condition: New. Paperback. 252 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. America loves innovation and the can-do spirit that made this country what it is a world leader in self-government, industry, technology, and pop culture. Everything about America has been an experiment and a leap of faith. And one such experiment upon which all others depend for success is the U. S. Patent System. Why Has America Stopped Inventing takes a close look at why this experiment appears to be failing, and why America has all but stopped inventing. Our belief that we are the most innovative people on earth is mistaken. Statistics show that today we invent less than half of what our counterparts did a century and a half ago. Look around: Where are the groundbreaking inventions comparable to those from the Industrial Revolution? It's unforgivable that we've been using the same mode of transportation for over a century. Why are we giving trillions of dollars every year to hostile foreign nations for imported oil when we have the inventive talent in America to solve the nation's energy crisis? We don't have these desperately needed technologies because regular Americans have given up on inventing. Why Has America...
