Working with Difficult Resistant Staff (Paperback)

By John F Eller, Sheila A Eller

Solution Tree, United Kingdom, 2011. Paperback. Book Condition: New. 251 x 173 mm. Language: English . Brand New Book. To move forward in the school improvement process, school leaders must address the behaviors of difficult and resistant staff members and send the message that a few people cannot halt change. Working With Difficult and Resistant Staff is designed with the practicing school leader in mind. The chapters are arranged to make sense for people first learning the skills they need to manage difficult and resistant staff members. While the book follows a logical progression, each chapter can also stand alone, allowing busy practitioners to find information about their most pressing issues. The chapters are brief enough to be read and digested quickly but contain enough focused information to help principals learn the strategies they need to make an immediate impact. The introduction presents some of the situations and conditions that can contribute to people's difficult or resistant behaviors. Armed with this important information, readers will be able to plan and monitor conditions to minimize difficulties and maximize their success with new projects or changes in procedures. Understanding what may cause people to become difficult or resistant is an important...

Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

-- **Lexie Paucek PhD**

I actually started reading this publication. It is full of knowledge and wisdom You wont sense monotony at at any time of your respective time (that's what catalogs are for relating to should you check with me).
