## BILLY MOON

Starscape. Paperback. Book Condition: new. BRAND NEW, Billy Moon, Douglas Lain, Billy Moon was Christopher Robin Milne, the son of A. A. Milne, the world-famous author of Winnie the Pooh and other beloved children's classics. Billy's life was no fairy tale, though. Being the son of a famous author meant being ignored and even mistreated by famous parents. He had to make his own way in the world, define himself, and reconcile his self-image with the image of him known to millions of children. A veteran of World War II, a husband, and a father, he is jolted out of midlife ennui when a French college student revolutionary asks him to come to the chaos of Paris in revolt. Against a backdrop of the apocalyptic student protests and general strike that forced France to a standstill that spring, Milne's new French friend is a wild card, able to experience alternate realities of the past and present. Through him, Milne's life is illuminated and transformed, as are the world-altering events of that year. In a time when the global political landscape eerily mirrors the political turbulence of 1968, this magic realist novel is an especially relevant and important book.
