You re not alone . and there s a reason you feel that way. It s because traditional sales and marketing copy (also known as direct response copy) sells by tapping into fear. But, you don t have to use fear - you can sell and market your business using love instead. And when you do that, you stop manipulating and twisting arms to get buyers, and instead start attracting, inspiring and inviting your ideal clients into your business. Ahhh -- doesn t that sound wonderful? In this book, copywriting and marketing expert Michele PW (Pariza Wacek) teaches you the philosophy and the foundational principles behind selling with love versus fear - the same principles she s used to help her clients build their businesses over the years. Plus, she includes dozens of exercises so you too can easily implement love-based copy in your own business. Whether you re a seasoned entrepreneur or business owner or just starting out, you ll discover valuable tips and strategies around selling and marketing with love.
