Disney Book Publishing Inc., United States, 2016. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. The collapse of Bernie Madoff's Ponzi scheme led to the instant evaporation of \$65 billion of wealth. The effects of Madoff's brazen fraud were felt most closely in New York and Palm Beach but the story was, and continues to be, front page news across the country. Now, a paperback version of the book is perfectly timed with the ABC drama starring Richard Dreyfuss. Brian Ross and his team of investigators shed an unyielding light onto Madoff's scheme--how he got started, how he succeeded for so long, who helped him, and who shielded him from early investigations. From hard hitting revelations to fascinating anecdotes, this is an incisive and voyeuristic look into this first family of financial crime . This is both news and the most addictive kind of true crime reading, certain to appeal to both Madoff junkies and neophytes who will love a juicy story filled with intrigue, betrayal, and billions and billions of dollars. The Madoff Chronicles includes a vast array of news and material that readers won't find anywhere else. Contains a reproduction of Bernie's Little Black Book. The essential contacts contained here were always kept close at hand. This material has been extremely useful to the FBI investigation as they try to determine the roles that their people played in the fraud. Ross has also secured Madoff's calendar for the past three years and other never-before-seen documents from inside the Madoff empire, straight from his desk. Read key details of how Madoff carried out his scam and the revelation that he began the fraud from almost the first day, in the 1960s. Hear how investigators tell believe that a billion...
