For Kinsey Millhone, private investigator, only one thing stays the same. When a client sits down in the chair across the desk, she never knows what's going to happen next .' There was nothing about Beverly Danziger to cause Kinsey concern. She was looking for her sister. There was a will to be settled. She paid up front. And if it seemed a lot of money for a routine job, Kinsey wasn't going to argue. She kicked herself later for the things she didn't see - Beverly Danziger did not look as if she needed a few thousand dollars and she didn't seem like someone longing for a family reunion. But just as Kinsey begins to suspect foul play and start asking questions, Beverly Danziger pulls her off the case and fires her .'One of the best written crime novels by anybody in recent memory' New York Times.
