Raceform Ltd. Paperback. Book Condition: new. BRAND NEW, Value Seeker: The Betting System, Anthony Gibson, The Value Seeker System searches out the best value bets each day from racing that takes place in Britain, using a copy of the Racing Post and following a strong set of statistics allied with some simple aspects of form. With practice, selections can be found within ten minutes each morning and placed before racing takes place. There is no reason to get emotionally involved betting on live racing as the author believes this is most punters' downfall. Professional punter Anthony Gibson's system has performed extremely well over the last ten years. In an 18-month period up to the end of 2014, his Value Seeker betting system has earned GBP138,000 to GBP100 bets. By following the system you could soon be backing good value winners overlooked by the general betting population.
