It might not be, nor was not in her power to do so.--The noble lord proceeded to consider the Orders in Council as contradictory to the established principles of municipal law; quoting part of Magna Charta, with the commentary of Montesquieu, to prove that this country ever had considered the rights of even foreign merchants as part of their own constitutional liberty; hence, he maintained, the exertion of the king's prerogative in the publication of these Orders, and their enforcement, had effectually violated the established law of the land. The rights of war should only be exerted by the king on the property of the enemy, and by no means should they be extended to that of neutrals. This measure had even proceeded so far as to raise a tax, and levy supplies, without the consent of parliament.--With respect to...
