*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*

## JUNE BUG

Tyndale House Publishers. Paperback / softback. Book Condition: new. BRAND NEW, June Bug, Chris Fabry, June Bug believed everything her daddy told her. That is, until she walked into Wal-Mart and saw her face on a list of missing children. The discovery begins a quest for the truth about her father, the mother he rarely speaks about, and ultimately herself. A modern interpretation of "Les Miserables," the story follows a dilapidated RV rambling cross-country with June Bug and her father, a man running from a haunted past. Forces beyond their control draw them back to Dogwood, West Virginia, down a winding path that will change their lives forever.
