BRAND NEW, Revolution of 2012: Volume 3: Taking Action, Andrew Smith, As the world goes deeper into the transition from the old world to the New Golden Age, the reader is invited to face the realities of irrevocable and profound change in life conditions for humanity. There is a choice facing each of us to make changes in our lives, in preparation for a new path forwards, or stay locked in the world and ethos of consumerism, the current expression of mainstream secular life. The author takes us through the essential stages of individual transformation to allow the release of old modalities from times past so we can embrace the deep inner transformation necessary to reach Fifth Dimensional Consciousness. It is time for taking effective action through forming community groups to achieve sustainable self-sufficiency on the land within a sound and lasting partnership with Nature.
