

Smart Client Deployment with Clickonce: Deploying Windows Forms Applications with Clickonce (Paperback)

By Duncan Mackenzie, Brian Noyes

Pearson Education (US), United States, 2007. Paperback. Book Condition: New. 231 x 175 mm. Language: English . Brand New Book. ClickOnce demos may look simple, but those techniques only work for simple applications. Brian Noyes gives us the information we need to use ClickOnce in the real world, and he does it with a comprehensive and organized presentation. If you expect your smart client application to move very far beyond Hello,World, you ll want this book to help you deploy it. -Billy Hollis, president/owner, Elysian Consulting, Microsoft Regional Director Once again Brian has outdone himself. As a writer, I tend to be very critical of all technical publications, including my own .and it is such a pleasure to read anything Brian writes because he studies his topics well, resulting in an accurate, thorough, yet concise piece of work. ClickOnce being a new technology that deals with the pains we all have with application deployment, versioning, and security, it is important to have a text that will guide you through the learning process, give you sound advice for adopting the technology, and explain why you should even care. Brian gives his readers all of that. -Michele Leroux Bustamante, chief architect, IDesign,...
