WND BOOKS, United States, 2016. Hardback. Book Condition: New. 238 x 158 mm. Language: English . Brand New Book. We are confronted with a jarring reality that the Left has succeeded in growing the power of the courts. Obama has replaced roughly 30 percent of the district and appellate judges on the federal benches. We are now facing a judicial time bomb, the likes of which we've never seen before. With the Obergefell v. Hodges ruling the courts have usurped the will of the people and set a precedent that has become a de facto law of the land. In STOLEN SOVEREIGNTY Horowitz reveals just how disenfranchised voters have become. On issue after issue we are witnessing a transformation of our society before our very eyes, all without the ability to stop it through the political process. We are becoming a government not of the people, by the people, for the people, but of the elites by the justices and for the few. First the courts went after your income. Then they went after the right to abortion. Then Then the right for men to marry men and women to marry women. Next they will go after the right to our sovereign borders. Where will it end? It is the legislative branch that gives the people their voice. With a weak congress, the people will suffer at the hands of a tyrannical few. By ceding the power of the purse, willfully ignoring executive overreach, blindly confirming judicial nominees, and writing statutes so broadly they transfer full legislative power to the president, the past few generations of congressmen have helped the executive branch and the courts crush their own power. STOLEN SOVEREIGNTY is a book defending sovereignty and society from the courts. Horowitz masterfully explains the legal foundations of this great...
