Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

Grandfather sets off from England to America on an exciting expedition to the Wild, Wild West. He is accompanied by Roo, a remarkable dog with a vivid imagination, and a golf cart full of equipment. The intrepid travelers are in search of Roo's grandfather, rumored to be living among cowboys following a successful movie career. Grandfather and Roo endure a grueling plane flight before they land in Hollywood. After a movie studio tour, they embark on a bus trip that ends abruptly with the two of them dumped by the side of the road. The pair hitchhike their way through the Grand Canyon and trek over rough terrain. Finally they reach One Horse Town, which has been overrun by a gang of lawless horses. After a narrow nighttime escape and chilly nights camping in caves, Roo is joyfully reunited with Old Blue, his grandfather. Cleverly told through Grandfather's affectionate letters written to a grandchild back home, THE LAST COWBOYS is another hilarious, original adventure featuring this immensely charming twosome. Horse's winsome pen-and-ink illustrations perfectly complement this fanciful tale that will delight young and old alike. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
