

Women Physicians and Professional Ethos in Nineteenth-Century America

By Carolyn Skinner

Southern Illinois University Press. Paperback. Book Condition: new. BRAND NEW, Women Physicians and Professional Ethos in Nineteenth-Century America, Carolyn Skinner, Women physicians in nineteenth-century America faced a unique challenge in gaining acceptance to the medical field as it began its transformation into a professional institution. The profession had begun to increasingly insist on masculine traits as signs of competency. Not only were these traits inaccessible to women according to nineteenth-century gender ideology, but showing competence as a medical professional was not enough. Whether women could or should be physicians hinged mostly on maintaining their femininity while displaying the newly established standard traits of successful practitioners of medicine. Women Physicians and Professional Ethos provides a unique example of how women influenced both popular and medical discourse. This volume is especially notable because it considers the work of African American and American Indian women professionals. Drawing on a range of books, articles, and speeches, Carolyn Skinner analyses the rhetorical practices of nineteenth-century American women physicians. She redefines ethos in a way that reflects the persuasive efforts of women who claimed the authority and expertise of the physician with great difficulty. Descriptions of ethos have traditionally been based on masculine communication and behaviour, leaving women's...

Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Tara Jerde

This publication is wonderful. It normally is not going to expense too much. It has been printed in an extremely straightforward way in fact it is merely following. I finished reading this publication where it actually transformed me, modify the way I really believe.
