CHURCH WORK WITH BOYS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Church Work With Boys The Boy Problem was a study of boyhood in general, with some special application to the various forms of social work with boys, and, in the last edition, some reference to the boy in the home. This smaller book deals solely with one special but important part of such social work, that done for boys in our churches. It exalts the significance of it, states its principles, and goes into details as to methods, books, and organizations for the religious education of boys in the Church. The book is designed for the reading of Church workers and for study in classes by those who are preparing to be of service to the men of tomorrow. For the latter especially, each chapter concludes with hints for first-hand study, outlines for report, and suggestions for further reading.
