Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).

Brand New Book ***** Print on Demand *****.For Clare Summitt, it is junior year basketball season, and she should be looking forward to playing with the team that made it to regionals last year. Last year she was part of the dynamic duo of Sisters Rule, sharing the team experience with her senior sister Debbie. But a lot has changed since last year, and Clare is having a very difficult time dealing with those changes. How can she focus on the game when her sister Debbie, the other half of Sisters Rule, is gone? Debbie's absence is something that Clare, the team, and her parents can't really accept. Everyone thinks the team is a shoo-in to win the state championship, however, Clare can't seem to get it together. Her coach and her teammates are frustrated with her lack of focus and her displays of attitude. Her parents aren't attending the games like they used to. Her sports dreams seem to be slipping away, and she is constantly off-balance. Then, an unlikely friend helps her see things from a new perspective. To find her focus she must rediscover herself.
