Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Beowulf: A Poem For a long time I had it in mind to make a translation of the old Anglo-Saxon Saga, Beowulf, in poetical form, and pursued a preliminary study of the manuscript, charred from the Cottonian fire, in the British Museum. That work, the oldest monument of the Anglo-Saxon language, is a very noble heritage from a great, though unknown, authorship, full of rugged strength; and it should be read by every student of literature. But when I began to cast the materials over, I found them lacking in qualities of human interest that are necessary to modern poetical narrative. The old Beowulf is a minstrel's song of hero deeds, in which a period of four generations is covered. The tale opens with Scaef the Scylding, who comes out of the sea, is made King, dies, and is sent back into the sea in the opening lines. There is his son, who is called Beowulf, and Beowulf's son is Hrothgar. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
