Reviews

It is a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Excerpt from Illinois: An Address by Honorable John P. Hand Ladies and Gentlemen: I am pleased to meet you on this, the eighty-eighth, anniversary of the admission of Illinois as a State into the Union. In what I shall say this evening, I will only call your attention to a few of the prominent landmarks which have been left along the highway which the people of Illinois have traveled in the building of that great State, leaving you at your leisure to fill in the details of the brief outline of its history which I shall present to you, and if I shall succeed in more fully arousing your interest in the study of the subject, I will have accomplished all I could hope to accomplish in one evening. The discovery, early settlement and development of the State of Illinois, are attractive and inspiring subjects for study, and the young man or woman who desires to acquire a thorough knowledge of the history of that great commonwealth and is so fortunate as to be a student in an institution of learning founded and fostered by the State, where able instructors are provided and an ample library furnished, is to to be congratulated. The fourth centennial of the discovery of the Western Continent was celebrated upon Illinois soil thirteen years ago, by the civilized and semi-civilized nations of two continents, whose peoples assembled on the shores of the great lake which washes its north-eastern boundary, to pay homage to the progress made by the Anglo-Saxon race in the United States in four hundred years. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books....
