Ediciones Paraninfo, España, 2015. Encuadernación de tapa blanda. Book Condition: Nuevo. 24x17cm. 84 pp. Este libro desarrolla los contenidos que integran el módulo de sensibilización en la igualdad de género, que se incluye dentro del área profesional de orientación laboral y que a su vez se integra en la familia profesional denominada Formación Complementaria. La autora presenta una propuesta actualizada y muy didáctica de formación, donde se desarrollan unos contenidos claros que hacen accesible a todos los interesados la materia que se aborda. Para lograrlo, se utilizan recursos adicionales (ejercicios y propuesta de actividades prácticas), y se ofrecen las estrategias necesarias para hacer realidad en nuestra sociedad la igualdad de género, esa revolución silenciosa que está cambiando para siempre nuestro mundo. Aspectos como las técnicas y recursos facilitadores para alcanzar la igualdad de oportunidades entre hombres y mujeres -sobre todo a través de una inserción laboral plena- son los objetivos de este libro; sin duda, el instrumento idóneo para lograrlo. Rosa Iglesias Crespo es licenciada en filología española por la Universidad de Oviedo y experta en igualdad de oportunidades por la Universidad Complutense de Madrid.
