Reviews

An exceptional ebook along with the typeface utilized was fascinating to read through. I am quite late in start reading this one, but better then never. You are going to like the way the blogger write this publication.

THE KEEPER: A MARTIAL ARTS THRILLER (PAPERBACK)

Portable Magic Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 2nd. 200 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****. From the award-winning author of Season of the Witch, comes a highly original thriller blending mysticism with science and exploring themes as old as time: the imperative of violence, the redemptive power of love and the quest to live forever. What is the greatest desire of all? In the death choked corridors of Palermo s famous catacombs, a young man stands surrounded by eight thousand mummified corpses. The answer he gives, will set the course of his life and take him on a journey into the heart of darkness. Adrian Ashton is a brilliant man: a quantum physicist and chronobiologist who has devoted his life to the study of chi - the vital energy that runs through our bodies. A gifted scientist, he is also a skilled martial artist - and a hunter. Calling himself Dragonfly, he preys on fighters and martial artists who are blessed with a strong life force, draining them of their chi and making it his own. But the hunter becomes the hunted when a mysterious woman enters his life. A martial artist herself, she belongs to a long line of Keepers: women who are warriors, healers and protectors. When Dragonfly targets the man she loves, she sets out to defeat him. It becomes a fight to the death in which love is both the greatest weakness and the biggest prize.
